SPORT CONTRACTING

Over **45** Years of
INDUSTRY EXPERIENCE

HISTORY

Centaur grew from humble beginnings in the summer of 1973 to now being the largest sports construction specialty contractor in Canada. Growing from the early days of supplying gymnasium equipment to local High Schools, to now outfitting Olympic Games Venues and major professional sports stadiums, Centaur is at the forefront of creating some of the most cutting-edge recreational facilities in the world.

It has always been our vision at Centaur to strive toward creating truly remarkable facilities. In an industry that has seen many come and go, Centaur has continued to thrive, becoming a leader and pioneer in the sports construction world by maintaining a simple philosophy built on an unwavering commitment to quality, reliability and trust.

SPORT CONTRACTING EXPERTISE

FOR ALL TYPES OF SPORT FACILITIES

Centaur has grown to become the largest sports specialty contractor in Canada. We have extensive experience in the construction and renovation of many different types of sport facilities including both indoor and outdoor venues. Regardless of the size of the project or type of facility, our team is readily available to assist or lead your upcoming project from the early planning and design phases through to the final installation.
